Employment history

Warehouse worker

Oriola (Enköping, Sweden)

June 2018 - Aug 2018

July 2019 - Aug 2019

I worked in a pharmaceutical warehouse with packing orders from pharmacies. Accuracy and attention were a requirement as the importance of packing the correct product is crucial for the customer. Speed and precision were also needed as the orders had a shipping time.

Farm worker

J. D. Adolph (Te Kopuru, New Zealand)

May 2017 - June 2017

I harvested sweet potatoes by using a harvester. This required working together as a group in order to remove all potatoes from the band. I also harvested sweet potatoes by being on the ground and digging through the mud.

Packer

Prendo Prepack Ltd (Te Puke, New Zealand)

Sep 2016 - Dec 2016

The work consisted of packing kiwifruits into punnets by a moving band, repacking kiwifruits in large boxes and grading kiwifruits. I also cleaned the machines in the packhouse on occasion.

Education Record

Media Technology and Engineering (ongoing)

Linköping University (Norrköping, Sweden)

Aug 2017 -

A broad understanding in calculus is complemented with several courses in programming and digital media. These include courses in UX, VR, computer graphics and different methods of visualization.

High School Graduation (Science program)

Kunskapsgymnasiet (Västerås, Sweden)

Aug 2013 - June 2016

Courses included physics, chemistry and biology as well as mathematics.

Voluntary work

Union house Trappan, Linköping University

Oct 2018 -

I work as a bartender at the union house Trappan in Norrköping.

aHead Mattecoachning, Linköping University

Oct 2018 -

Coach high school students in mathematics.

Utediscot 2019 – Committee, Linköping University

May 2019 - Oct 2019

I was part of the committee that planned Utediscot 2019, a large party held at the union house Kårallen by the student union LinTek. I was in charge of food and drinks which included having knowledge in the alcohol act and food handling as well as being a supervisor before, during and after the party.

Class sponsor, Linköping University

Aug 2018 & Aug 2019

Volunteered as a class sponsor during the reception of 2018 and 2019 to welcome new students to the University and help them with the first course in mathematics.

EU elections 2019, Valkansliet Norrköping

May 2019

During the elections I helped voters and I received votes. After the voting closed I helped counting the votes.
